How many pips?

What is this?

S

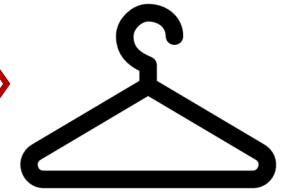

Walk around something and sing a song (maybe about a bird)

What is this?

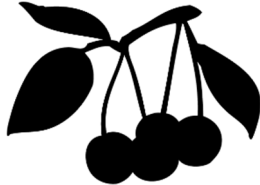

What is this?

What is this?

What is this?

What is this?

A

Preschool, level 2b

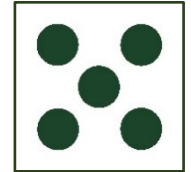

2-3 players and a dice. Roll the dice. The player with the highest number, solves the next square. Roll dice again to decide who solves square number 2 etc. Every square is only solved once.

More ideas:

Show the number with your fingers. How does the number look? What is the thing "in the square" used for? To what can the letter be used? Which sound or letter does the word begin with?

All players do all exercises.

How many pips?

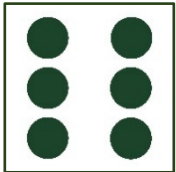

What is this?

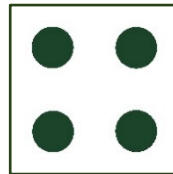

M

THE END

How many pips?

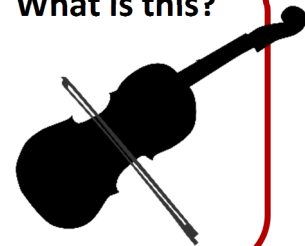

How many pips?

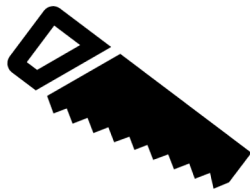

Have a great time.

What is this?

Jump in place
20 seconds.

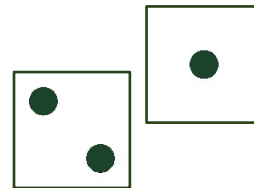

What is this?

What is this?

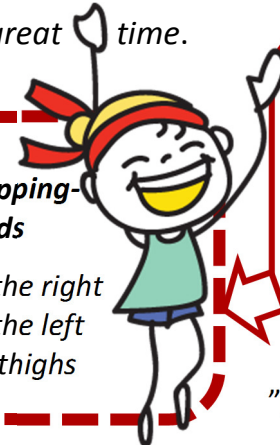

How many pips?

4 clapping-rounds

3 to the right
3 to the left
3 on thighs
