What is this?

4

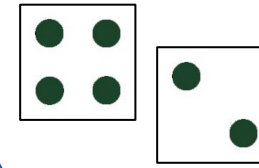

What is this?

B

Walk around
something
and sing a
song (maybe
about an
animal)

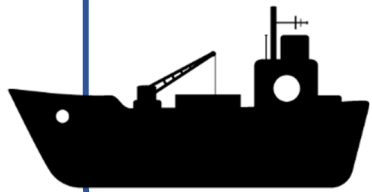

How many pips
in total?

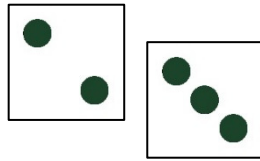

What is this?

What is this?

How many pips
in total?

What is this?

O

Preschool, level 3a

2-3 players and a dice. Roll the dice. The player with the highest number, solves the next square. Roll dice again to decide who solves square number 2 etc. Every square is only solved once.

More ideas:

Show the number with your fingers. How does the number look? What is the thing "in the square" used for? To what can the letter be used? Which sound or letter does the word begin with?

All players do all exercises.

THE END

What is this?

Have a great time.

What is this?

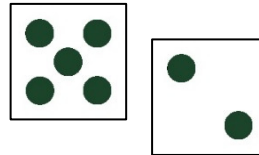

Run in place
with high
knees.
20 seconds.

What is this?

How many pips
in total?

What is this?

3

Make up a
clapping
round.
Show the
rounds to each
other and do
them too.
