Dear Educator

www.trine-evald.dk, International, English for Ukrainian

This file is part of a series.

The files about the numbers 1-10 is in order on my website and are named so they will keep the order, when you download them to your own computer.

I planed this file as a joint introduction until page 14 and practice from page 14. After that, the film to support the pronunciation in class or as self-study. The “Quiz and switch” cards in the group or as an activity for 2 pupils – this can for sure be done in many ways – feel free to do it your own way.

Have fun.

A photograph of a forest scene. A dirt path leads through a wooded area with many evergreen trees. The ground is covered with fallen leaves and some moss. The scene is captured from a low angle, looking down the path.
