Dear Educator

www.trine-evald.dk, International, English for Ukrainian

This file is part of a series.

The files about the numbers 10, 20, 30.... is in order on my website and are named so they will keep the order, when you download them to your own computer.

I planed this file as a joint introduction until page 14 and practice from page 14. After that, the film to support the pronunciation in class or as self-study. The “Quiz and switch” cards in the group or as an activity for 2 pupils – this can for sure be done in many ways – feel free to do it your own way.

Have fun.
